

October 12, 2020

Hello Parents and Students,

Today we are beginning our annual Southern Heritage products fundraiser to help raise funds for our general band needs. We were very successful with our SnapRaise fundraiser this year, but we will take a major blow with the lack of home football games this year.

The products from this company are very good in quality and range in price from \$15.00-\$40.00.

This fundraiser will be split in a 30/70 ratio. The student will receive 30% for their incentive account and the band will receive 70% **from the profit of each item.**

We will be running the sale beginning today, **October 12, 2020 and ending Friday, October 30, 2020.** Please have all money and order forms turned in by Friday, October 30, 2020 in order to have items delivered in time for the Thanksgiving holiday break.

As always, we are truly appreciative for your support of the Hueytown High School Band Program.

Mr. Caddell

Student Incentive Account

A student's profit from a band fundraiser that is maintained in the **Band Booster Account** and can be used for the student's benefit. The student's incentive account balance can be used for items such as; reeds, valve oil, band supplies, towards a spring trip balance, towards the school-owned instrument fee, honor band registration fee, etc.
